- laying floorboards and flooring panels
- making temporary wooden structures (shuttering) to shape setting concrete
- making and erecting roof timbers and trusses
- fixing door and window frames
- making and hanging doors
- making and fitting staircases
- boxing in pipework.

## **SKILLS REQUIRED**

- good practical skills
- an organised approach to work
- an eye for detail
- the ability to follow technical drawings and plans
- good maths skills for measuring and working out angles
- a reasonable level of fitness
- the ability to work as part of a team and unsupervised
- an awareness of health and safety.

## **PERSONAL QUALITIES**

Applicants need to be enthusiastic, well organised, self-motivated and punctual. You need to be able to work independently as well as part of a team

## **QUALIFICATIONS REQUIRED**

5 GCSEs Grade 9 – 4, to include English and maths
