<b>LOCATION:</b>	<b>SALISBURY</b>
<b>SALARY:</b>	<b>£165.00 per week</b>
<b>WORKING HOURS:</b>	<b>37 hours per week</b>

## **DESCRIPTION**

This Apprenticeship training programme runs for 3.5 years. During the Apprenticeship you will be assigned to sector placements in Industry, Energy and Infrastructure & Cities for on the job training. Over the course of your Apprenticeship, you will be learning a great deal, both at the training centre and on the job. You will be assigned a personal mentor to guide you through the relevant stages, providing continual support. Over time you will take on more responsibility and accountability as your skills, knowledge and expertise increase. The benefits and advantages are outstanding. You will learn an occupation, but you will also learn craftsmanship and the importance of doing things right first time.

## **DUTIES TO INCLUDE**

You will learn how to install and lay cables and wires in new and existing buildings. You will learn how to use equipment safely. You will be taught how to read plans and instructions so that you know where cables should be laid, where junction boxes and meters are to go, and where switches and power points must be placed.

## **SKILLS REQUIRED**

- to be able to work very carefully and methodically - electricity can be dangerous!
- a pleasant manner and a good standard of appearance (the work often takes you into customers' homes and workplaces)
- to like using your hands and working with tools

## **SKILLS REQUIRED**

- normal colour vision
- the ability to work independently and use your own initiative
- problem-solving skills
- general fitness to be able to climb ladders, work safely at heights and to get into awkward places
- to be prepared to work in uncomfortable conditions - building sites can be cold, wet and muddy!

## **PERSONAL QUALITIES**

- A disciplined approach to timekeeping and attendance, and as a result of the various placements, you will require the ability to work alongside employees of all levels.
- To complete the programme you are required to achieve multiple qualifications which demand a high level of motivation and the commitment to study and complete work in your own time.

## **QUALIFICATIONS REQUIRED**
