DESCRIPTION

Landscape contractors may be small firms, working on private gardens and small projects, or large organisations, working on major contracts such as landscaping the grounds of a new hospital or business park. Many jobs in landscaping involve horticultural skills, but there are also jobs that need some knowledge of building techniques - laying paths and making ponds, constructing walls, rockeries, patios etc.

DUTIES TO INCLUDE

For any horticultural work, you need an interest in plants. You also need to be keen on practical, outdoor work.

Most jobs involve:

- bending and lifting
- the ability to use tools and machinery
- Lifting heavy materials
- working on your own for part of the time.

SKILLS REQUIRED

- Basic requirements are a good attitude to safety
- Good organisation skills with the ability to work to deadlines
- Willingness to work within a team and use own initiative
- Must enjoy practical work and be happy to work outside in all weathers
- Be able to read drawings and measure accurately
- Good communication skills

PERSONAL QUALITIES

- A responsible and reliable individual
- Fast learner, with the ability to master new skills quickly
- Good time keeping and attendance
- Self-motivated with a willingness to learn
- A responsible attitude
- Positive and mature attitude
- Honest and trustworthy

QUALIFICATIONS REQUIRED

Grade 4 or above in GCSE Mathematics and English or equivalent plus a science based subject
