

Department Name	Activities Include:
Cross-curricular (in partnership with South Wilts Grammar School)	SWAT Challenge Ambassadors Day which takes place annually with grammar schools from the South West and is open to Year 10 HA pupils. The day starts with an address from a motivational speaker and then the students have the opportunity to move around a variety of structured tasks designed to challenge them. Last year, the Escape Room activity was definitely the most challenging!
English	Higher Ability Students are encouraged to read widely around the topics and also Challenge 9, a new initiative to challenge students to aspire to 9. HOT club (Higher Order Thinking Skills) which will be open to HA year 9 and 10. In the club a student will have 5 minutes to present on a topic of their choice- literally can be anything. The only requirement is at the presentation it must end with a debate question. The question is then opened to the floor and is debated among club members. It is a great way for students to research and present on topics which matter to them.
Maths	KS4 UK Mathematics Intermediate Maths Challenge for Years 9-11 national higher-level problem-solving competition. KS4 Maths Feast Enrichment Morning (via Further Maths Support Programme) with motivational speaker
Science	KS4 Students vs Teachers – the Great Debate! Annual Biology Challenge
