

## Dear Parent/Carer

I am pleased to inform you that your child is eligible to attend our Christmas holiday programme, FUEL.

FUEL is a free holiday activity and food project that offers children the opportunity to take part in a range of fun activities during school holiday periods in 2021. Children will also be provided with a nutritious meal each day that they attend.

FUEL Christmas camps will run in 10 locations across Wiltshire. Each camp will run for four hours a day (10am to 2pm), four days a week commencing on 20 December 2021. Each day will include a range of fun activities as well as a nutritious meal. Please note, a limited number of camps will not be open for all four days due to venue availability.

The FUEL programme is only available to eligible children attending primary, secondary or special schools and is not open to pre-school children.

You can sign up for all four days or just the days you want to attend. Spaces are limited so please sign up as soon as possible to avoid disappointment. All applications will be assessed and participants will receive a confirmation email if successful. Please note one to one care is limited.

Please sign up by completing the application form using the link below. If you have multiple children you will need to apply for each one separately. If you require any support with completing this form please speak to your school.

Please find below the leaflet providing more details about the FUEL programme that you can share with your child. If you have any further queries please email [hafcentral@bydesign-group.co.uk](mailto:hafcentral@bydesign-group.co.uk)
