Year 9–11 High Achievers Booklet

ST JOSEPH'S CATHOLIC SCHOOL
CHURCH ROAD
LAVERSTOCK
SALISBURY
SP1 1QY

Welcome to the RE high attainers booklet.

This booklet has been designed to increase a curiosity of all things religious and also to stretch and challenge you helping you to develop essential skills needed to master RE.

Key Stage 4 – Year 9–11 pupils

Your tasks, apart from revision tasks, are all online forums for discussion relating to the topics that you have studied in class. You must make at least 4 developed contributions to the discussions.

Contents

Year 9 Enrichment	Page 3
Year 10 Enrichment	Page 4
Year 11 Enrichment	Page 5

Edmodo debates:

Year 9, Term 1	“Scientific and religious views on creation are not compatible. Either God created the world or science did.”
Year 9, Term 2	“It is not possible for Jesus to be 100% God and 100% man.”
Year 9, Term 3	“The Trinity is one God, not three gods.”
Year 9, Term 4	“The death of Jesus is the most important event for redemption.”

Year 9, Term 5: Revision Resources!

This is the time where your attention turns to your end of year exams!

Using the revision guides on the website, you should build your own revision resources to help you revise.

Everybody is different when it comes to revision, so there is not really one way to go about revising. Our suggestion as an RE department is that you look at what you need to know for the end of year exams and then start creating flashcards, lists or mindmaps with the relevant information on them.

You can then use these to read the information and commit it to memory and you could also ask a friend or family member to test you on what information is on the cards.

Finally, another good revision tip is to look at some past explanation and evaluation questions you have done this year and re-do them perfectly! This will help you to perfect the style and format of writing certain answers. Good luck and happy revising!

Year 9, Term 6: Free Choice!

Put forward a topic to your teacher to be discussed on Edmodo. The topic that receives the most votes will be the one selected!

Edmodo debates:

Year 9, Term 1	“If God was all loving, hell would not exist.”
Year 9, Term 2	“Being a nun or a monk in a monastery is an effective way of living out the Kingdom values.”
Year 9, Term 3	“Euthanasia is never right, and it should remain illegal in the UK.”
Year 9, Term 4	“The Eucharist is the body and blood of Jesus, it is not meant to be a symbol.”

Year 9, Term 5: Revision Resources!

This is the time where your attention turns to your end of year exams!

Using the knowledge organisers your teacher will give you, you should build your own revision resources to help you revise.

Everybody is different when it comes to revision, so there is not really one way to go about revising. Our suggestion as an RE department is that you look at what you need to know for the end of year exams and then start creating flashcards, lists or mindmaps with the relevant information on them.

Year 9, Term 6: Free Choice!

Put forward a topic to your teacher to be discussed on Edmodo. The topic that receives the most votes will be the one selected!

Edmodo debates:

Year 9, Term 1	“God as the creator is the most important feature of God for Jews.”
Year 9, Term 3	“War can never be justified.”

Year 9, Term 2: Revision Resources!

This is the time where your attention turns to your end of year exams!

Using the knowledge organisers your teacher will give you, you should build your own revision resources to help you revise.

Everybody is different when it comes to revision, so there is not really one way to go about revising. Our suggestion as an RE department is that you look at what you need to know for the end of year exams and then start creating flashcards, lists or mindmaps with the relevant information on them.

You can then use these to read the information and commit it to memory and you could also ask a friend or family member to test you on what information is on the cards.

Finally, another good revision tip is to look at some past explanation and evaluation questions you have done this year and re-do them perfectly! This will help you to perfect the style and format of writing certain answers. Good luck and happy revising!

Year 9, Term 4 & 5: Revision Resources!

This is the time where your attention turns to your final GCSE exams!

Hopefully your preparation for your mocks will have meant that you have a good set of revision resources – now is the time to add to them and review them.

At this stage of your revision, doing as many sample/past questions as you can will really help your exam technique and recall of information.

Good luck and happy revising!
