Dear Parent/Carer

We would like to offer your child an opportunity to maximise their progress and achievement in English. This is through the use of the National Tutoring Programme and online tuition, provided by our NTP partner, TLC Live as they move towards their GCSEs.

Your child would be part of a group of Year 10 students that will be offered online tuition from **4-5pm on Tuesday evenings, starting on Tuesday March 29<sup>th</sup>**. It is more beneficial for the students to stay on site and complete their session therefore, we will provide a snack and a drink prior to the session.

The first session will identify the support that your child will benefit most from and sessions thereafter will be tailored to their individual needs. There will be an end of Summer term reward for all those that attend regularly.

Please discuss this opportunity with your child and encourage them to take advantage of this opportunity.

Yours sincerely

Mrs Maher  
Head of English

Mrs Nobis  
Assistant Headteacher
