

Saint Joseph's

CATHOLIC SCHOOL

18 July 2022

Dear Parent/Carer

We have taken the decision to OPEN for PUPILS TOMORROW (Tuesday 19 July) for normal school hours.

To ensure the safety of our pupils and staff the following additional measures have been put in place:

Electric fans have been purchased early last week and have arrived today; these will be used in the appropriate rooms. Other purchases have been made such as gazebos and umbrellas for use early in the morning when outdoors. Unfortunately, we have few shaded areas hence we have minimised all outdoor activities.

All classrooms have been temperature checked today which has resulted in replanning and re-rooming when they are considered not safe or fit for purpose.

All external visits where the risk is deemed too high have been postponed. Risk assessments for venues have been checked. The Tank Museum and Escape Rooms will go ahead as planned.

It is important that pupils bring water, sun cream, hats and wear appropriate loose-fitting clothing. We have purchased a large volume of water for emergency use. Regular water breaks will be in operation.

We trust that you feel informed and have confidence in our decisions and remain very grateful for your continued support.

Yours faithfully,

R.Ridley

Headteacher
