ORDINARY TIME WEEK 5(A)

From Father Anthony

Out of the early morning darkness a thin ribbon of translucent light emerged along the horizon. Faint at first, it expanded into a fiery red haze from which streaks of pink, blue, mauve and orange blazed across the sky. It danced off a flat, glassy sea and gave form to the distant hills of North Yorkshire. For a moment I lost my concerns, worries and preoccupations in its magnificence; for a moment I felt soaked in and refreshed by the splendour of such indescribable light. Crows and seagulls seemed to agree as they lined the beach and faced the sun.

To truly meet you, *'I must not be there'*! That is, it is better if I 'leave myself behind' along with my preconceived ideas of who and what you are. I must attempt to understand you as you are... not as I am. There is a sense in which I can become an empty vessel for you. This emptiness is not negative. It allows you to release yourself from yourself: to pour yourself out without any fear of judgement or rejection. However, because it is 'emptiness' all you will get back is yourself because the other *'is not there'*; and this might be distressing if what you pour out is dark and depressing!

Along with the emptiness there must also be a quality of fullness; something to meet. There must be a condition that reveals the truth about what you pour out; a condition that refines it, clarifies it, heals it and brings it alive so that you can see, feel and know yourself better. That fullness (*pleroma*) we often refer to as Light... spiritual Light. Jesus says, 'You are the light of the world'. You and I *are* the light of the world.

St Paul talks about *'knowing nothing in himself except Christ'... the Light. I 'get out of the way of myself'* in order to allow this Light to shine so that you may become aware of the Light in you too. The Light in one brings forth the Light in the other, (*where two or three are gathered together in my name, I am there too, Mt 18.20*)

How is this State arrived at? By coming into its presence (*presence of Christ*). We pour ourselves into this Presence (*prayer*). Here we are enlightened, forgiven and restored: here we become the Light that will heal and restore others.

RITE OF ELECTION - SATURDAY 25 FEBRUARY

On the first Saturday of Lent, as at the start of every Lent, our diocesan family gathers together at Clifton Cathedral to celebrate the Rite of Election, where those who are journeying towards becoming part of our Catholic community are presented to Bishop Declan. Here, family and friends, sponsors and godparents, join with those preparing for Baptism (catechumens) and those preparing to be received into full communion with the Catholic Church (candidates). There are two important elements to this Rite - a sending and a receiving. We, the parish, 'send' those planning to join our Church at Easter. This is our public pronouncement that they are ready to enter a covenant relationship through participation in the sacramental life of the Church. Those who are 'sent' can then be received: the Bishop accepts the parish community's judgement, receives them and invites them to enter their names in the Book of the Elect. This year, we are delighted to be 'sending' 5 adults to Clifton Cathedral from our parish and all parishioners are welcome to travel to Clifton Cathedral for this liturgy. If you would like to attend, contact the parish office 01722 562703 office@salisburycatholics.org Please keep all of our candidates in your prayers as they begin this important stage in their faith journey.

The Diocese are holding a reflection evening on Wednesday 15 February, about this special ceremony: the Beauty of being Called by Name - the Rite of Election and why it matters to us all. For those who wish to attend this online session please click on the image in the 'Top News' box or [click here](#) for all the details.

Sunday Homily from Bishop Robert Barron in this episode he reflects on the 'Sermon on the Mount' in the Gospel of Matthew. This week, we hear Jesus compare his disciples to three things: the salt of the earth, the light of the world, and a city set on a mountain and Barron also asks how is your Christianity impacting the world around you—making it better and getting in the way of evil and wickedness? To watch and listen just click on the 'Sunday Homily' button on our homepage or just [click here](#). Video is available late on Saturday.

Children's Liturgy from Catholic Kids Media: 'Salt of the Earth! Light of the World!' for this the 5th Sunday in Year A . Click on the 'Children's Liturgy' button on our homepage or [click here](#).
