

Saint Joseph's

CATHOLIC SCHOOL

Dear parents / carers,

To allow BTEC Creative Media Production students additional time to re-submit the Component 2 coursework project and the opportunity to continue preparations for their component 2 exam sessions (20th April & 12th May) we will be holding an open session during the Easter holiday, Monday 3rd April. The session will run from 09:15 – 14:30. We strongly recommend that all students attend, if possible.

The time will be used to complete the following:

Re-submission of Component 2 Learning Aim A, B and C: Students will receive feedback and marks for their coursework projects and have this time to improve and resubmit their work to achieve their best possible grade. Unfortunately, with the condensed course timeline due to COVID and the pressing need to use all available lesson time to prepare for their exam, this work can only be completed in this session and lunchtime / after school (drop-in sessions available upon request). Improving and re-submitting this project will be vital to ensure the best possible outcomes for all students. **The deadline for re-submission of Component 2 is Friday 28th April 2023.**

Preparation of assets for final exam session (Activity 3): Students will be sitting their final exam session on Friday 12th May, during which they will be making the product they have planned in the previous sessions. Prior to this, students are allowed to prepare assets and content for their products i.e. taking and editing photos, creating graphics, writing articles, creating headlines / straplines.

We hope that we can welcome all students at this session with the aim of helping achieve the very best possible grades for all BTEC Creative Media Production learners. We will endeavour to make the session as enjoyable as possible for all students. For safeguarding purposes, we would ask that all students arrive no later than 09:30, however as reflected on the slip below, with your permission, students may leave when they have completed their work.

If you have any questions, please feel free to contact me via of@sjcs.org.uk
