

Homework Timetable: Year 8

<u>WEEK 1</u>				<u>WEEK 2</u>			
MON	Maths	MFL	English	MON	Maths	MFL	English
TUE	Science	History (HA, BX, BY, C)	Geography (HA, D)	TUE	Science		
WED	Geography (C)			WED			
THU				THU	RE (BX)		
FRI	RE			FRI	RE (HA, BY, C, D)	Spanish (HA)	

Homework is expected to take at least 20 minutes per subject as a general guide. Project work may take longer and longer deadlines will be given for these types of homework.

Should the HW not take the amount specified above, then pupils should use the remaining time to develop as independent learners by reviewing their notes, consolidating their learning and/or creating revision resources. The more pupils revisit work they have done, the more it will stick in their long-term memory.

** Maths will be set once a week, but we recommend spreading this out so that Maths is practiced each evening.*

** MFL Sentence Builders HW will be approx. 30 mins per week.*
