

Saint Joseph's
CATHOLIC SCHOOL

Teacher of Geography

CANDIDATE INFORMATION

Welcome from the Headteacher

Dear Candidate,

The Governors and I welcome your interest in the position of Teacher of Geography at St Joseph's Catholic School. This is an excellent opportunity for a motivated and enthusiastic teacher to join our dedicated Humanities department.

St Joseph's is a smaller than average school. The warm and welcoming atmosphere is matched by a strong focus on pupil progress and hence improving their life chances.

Our reputation within the community, following year-on-year improvements in results, has resulted in us becoming oversubscribed and a school of choice for many parents. Since 2016, the school has seen an increase in pupil numbers of 31%.

Following an extremely pleasing Ofsted inspection in January 2018, we have a clear focus on the areas we need to improve. I am thrilled that the Inspectors recognised the tireless hard work, commitment and dedication that occur every day and how the school has improved over time because of the relentless drive for excellence. The school was judged to be Good in all areas with clear evidence of elements that are Outstanding.

Our 2023 headline figures for Maths and English showed a 10% rise compared to the previous year's results which bucks the national trend.

This is an invaluable opportunity to make a significant impact as a teacher on the development of our school. If successful, you would become part of a dynamic team seeking to achieve the very best education for the young people that we serve.

If you believe that this is a challenge that you would like to be a part of, I would invite you to visit the school and see for yourself the opportunity we are offering.

I very much look forward to receiving your application. Should you have any queries, please do not hesitate to contact me.

Mrs R. Ridley

“Before I came to St Joseph’s I was very close to giving up on teaching as I had many knock backs in my first school... but it turns out I just hadn’t found the right school. I will be forever grateful for the support I received on a professional level, but also on a personal level when I needed it most.”

“You really have been a wonderful lot to work with. You are so patient and kind which really makes a difference. Our School Ethos

St Joseph's Catholic School is a small 11-16 school located in the beautiful city of Salisbury, Wiltshire. It is a vibrant, exciting, and caring school where our Catholic ethos is at the heart of everything we do.

Our values and ethos permeate everyday life as a community, each child and every adult are treated with the utmost dignity and respect. Consequently, pupils leave us as well-rounded individuals and staff turnover is exceptionally low.

Our school is committed to be a centre of excellence for all faiths and abilities, and we are very proud of our successes and our outstanding reputation within the local community.

Overview of the School

Our school encourages and guides each of its pupils to develop their own unique gifts and talents.

By providing a broad range of learning experiences and a supportive and nurturing environment, our pupils enter the world as confident, rounded individuals, with high expectations of themselves and the self-belief, skills, and attributes to achieve their true potential.

Everyone in school is here for a purpose, to learn each day, and to widen their knowledge, experience, and imaginative understanding.

At both Key Stage 3 and 4, opportunities within the curriculum enable pupils to enjoy, achieve, and grow in their learning. Pupils follow a curriculum that is appropriate to their needs, provides challenge and enables them to achieve.

There is a positive atmosphere for learning in lessons at St Joseph's, as teachers and subject leaders are constantly finding innovative and engaging learning experiences for pupils.

Academic Success

Over the past five years, St Joseph's Catholic School has exceeded challenging targets, securely placing us, yet again, as one of the best schools in the country and in Salisbury for the progress of pupils.

We have received local and national recognition for our GCSE results which places our school as one of the top-performing smaller educational establishments in the country.

Staff Welfare & Career Professional Learning

As a school that values Career Professional Learning for all our staff, we have an extensive range of courses and opportunities on offer which enables our staff to flourish.

We offer the NPQML and NPQSL national qualification to all those staff who show leadership potential and wish to move into Senior Leadership in the coming years.

Recently, we have supported four staff to become qualified teachers via SUPA Salisbury and the Assessment Only route.

Safeguarding & Child Protection

The school is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment. The school will conduct online searches through Google for all shortlisted applicants. All new staff must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service.

The school has a designated senior member of the leadership team who is responsible for referring and monitoring any suspected case of abuse. All members of staff will receive training in line with our Child Protection policies.
