Access to Scripts

Candidate consent form for access to and use of examination scripts

In some cases, your teachers may ask if they can access your exam paper. There are two reasons they may ask this:

1. They would like to see if there is a possibility that you could/ should have received more marks, this may lead to a request for a review of marking with the exam board.
2. They would like to use your paper for teaching purposes. Your paper may be used as an example of what is needed to achieve a certain grade.

If you agree that the school can access your papers for the above reasons, please tick an option and sign below.

- If any of my scripts are used in the classroom, I do not wish anyone to know it is mine. My name and candidate number must be removed.
