

The post results services which are available to students after your results have been collected are:

- **Reviews of Results (RoRs):** Clerical re-check; review of marking.
- **Access to scripts (ATS):** Access to marked examination scripts

Please be aware that the costs and deadlines detailed below are those which have been set by the Exam Boards and as a school we have no influence on these. We therefore cannot process any requests which are received outside of these dates or without full payment.

The costs outlined below are per exam paper requested – i.e. if the qualification has two papers and you want the service for both exam papers, the cost will be x2.
