CATHOLIC SCHOOL

Year 7 Information Evening

Achieving Excellence

Let's reflect

**Father, we pray
for knowledge and understanding
for teachers, pupils and parents.**

**We pray that you will be
with our teachers and pupils
as they start a new school year.**

**We pray that you will give pupils
tenacity as they seek for understanding
and new revelations in their studies.**

**Father we also pray for parents,
that they will support pupils by building
a closer working relationship with teachers and staff.**

This we ask in Jesus Name.

Saint Joseph's
CATHOLIC SCHOOL

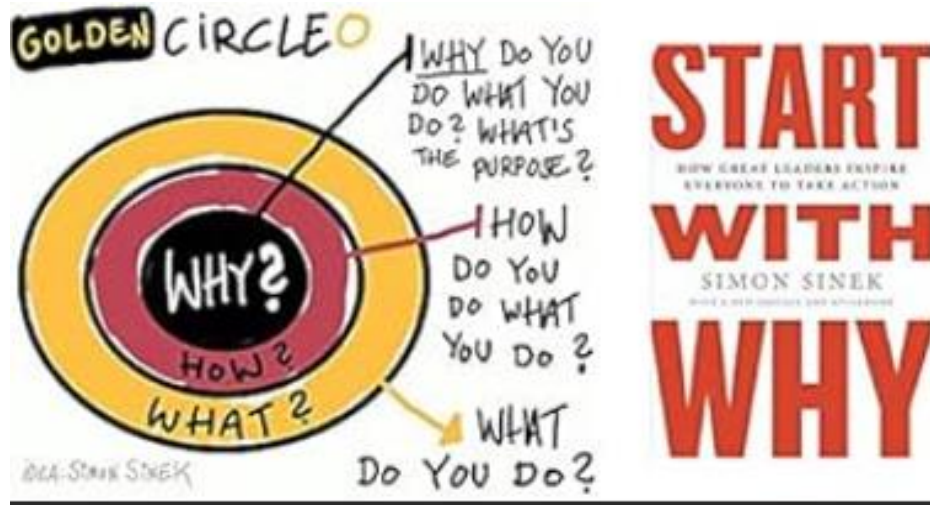

Our School's DNA Saint Joseph

We can learn from him what it is to be a good student and the importance of working hard as we strive to achieve the best in life.

*"Each of us can discover in **Joseph** – the man who goes unnoticed, a daily, discreet and hidden presence – an intercessor, a support and a guide in times of trouble. Saint Joseph reminds us that those who appear hidden or in the shadows can play an incomparable role in the history of salvation." - Pope Francis*

The St Joseph's Way

- Our approach to learning
- Our roles & responsibilities
- Assembly time

- Helping pupils understand why we, as teachers, do the things we do!

We do things the **St Joseph's Way!**

As a pupil at St Joseph's, I am member of a unique community. I understand that I have a right to a first-class education, and have a responsibility to ensure that my classmates also receive a first-class education.

The St Joseph's Way is what sets us aside as a school. It helps me to understand why we do the things we do, and to ensure we can all thrive in a first-class learning environment.

S **Start lessons well:** Line up, full uniform, stand behind desks, equipment out, respect reflection.

T **Take my seat.** title, date, starter & retrieval immediately.

J **Join in the learning:** I will respond to questions when cold-called, volunteer answers when I can, and vote when requested.

O **One voice:** There's only one voice speaking at one time. This way, we all learn.

S **Silent work is good for me:** It's a chance to show what I have learnt and helps everyone to focus.

E **Extend my learning:** I will always push myself to extend my learning and access the challenge tasks when I can.

P **Plenaries** help me recall my learning and help my teacher to plan for the next lessons.

H **Homework is good for me:** It's my chance to show what I have learnt and to practise my skills.

S **Sharing ideas** helps me to learn from my peers. I'll use a partner voice if in pairs and a group voice in larger groups.

W **Work** is completed to MY best ability.

A **Assessments and feedback** are essential for helping my progress; my teacher feeds back to me what I need to do to improve and I act on it with my MRIs.

Y **YOLO – You Only Learn Once:** This is a myth! I know reviewing and revisiting my learning helps it stick in my long-term memory.

CAREERS PORTAL

Welcome to the Careers Portal at St. Joseph's Catholic School.

This resource is for pupils, parents, carers, teachers, employers, training providers and anyone who has a keen interest in preparing our pupils for their future.

We are very proud of the careers provision at St. Joseph's Catholic School. We have been awarded the national Quality in Careers Standard using the Career Mark approach, which recognises excellence in careers, employability and enterprise.

Currently, the pace of change is more rapid than at any time in history. Changes in society and work are having a profound effect on traditional patterns of employment. If young people know more about the range of careers open to people with the right qualifications, they will have a clearer idea of the routes to better jobs.

This page will link you to sources of information and advice, and where to get help. Please use the links on the right for further information.

Careers as part of PSHE

- Getting to know yourself, your interests and strengths – get involved in extra-curricular clubs and trips

As parents:

- Have a look at the Careers Portal, with links to Career Pilot, e-clips and Career Companion
- Ask questions
 - "what was the best lesson today?"
 - "what did you learn about in science today?" . . . "did you enjoy it?";
 - "what sport did you do in PE today?" . . . "did you enjoy playing Badminton?" . . . "did you find it easy working as part of a team?" "did you lead the warm up?"
 - if you can do this in the car on the way home or a quick chat over dinner - it helps them to reflect on their learning and understand what they like/don't like, what they have strengths in and what isn't really their thing.
- This will help them when making key decisions in Years 9 and beyond!

- **As a team, all of the English teachers just wanted you to know how amazing you were yesterday. Coming into a new classroom with new teachers for your first ever secondary school lesson cannot be an easy thing to do. But all of you blew us away - we were so impressed by your manners, enthusiasm and eagerness to participate. We cannot wait to see you again today.**
- **In all my nearly 10 years of teaching, I have never had such a positive experience with a new year 7 class - you should all be incredibly proud of yourselves.**

How can parents help.....

- Encourage your children to check their homework and any messages on Satchel One, SMHW, etc.
- Check emails/school comms for latest news and updates.
- Check in for understanding of lessons, topics – particularly around EOY test time – and encourage independent learning.
- Encourage your children to report any issues **AS SOON** as they can – duty staff, teachers, tutors, HOY.... as soon as we know, we act!
- Encourage pupils to **attend** unless absolutely necessary...

NHS guide – too ill to go to school

How do I report my child's absence from school?

It is a parent/carer's responsibility to notify school if their child is absent. It is required that contact is made with school **every day** that a child is absent unless otherwise arranged with the Attendance Officer. We ask please that contact is made with the school before 9:00am, and a clear and sufficient reason must be provided.

- **Option 1 (preferred):** E-mail explaining student absence to attendance@sjcs.org.uk
- **Option 2:** Phone call to school reception on 01722 335380

Please do not reply to text messages sent via the SchoolComms system, as these responses are not monitored.

Is my child is too ill to come to school?

Use the NHS "[Is my child too ill for school?](#)" page to help with decisions over whether your child should be in school or not. Most common ailments are not a reason to be off school, just like they would not be a reason to be off work.

Non-attendance will not be authorised for the following reasons listed below, unless they are being investigated by your doctor:

► [Reasons non-attendance will not be authorised](#)

Taking medicine: Over the counter medicines can be given before school. After a form has been signed by a parent, we can keep Paracetamol on school premises for your child for all non-urgent illnesses. Please contact Reception for more details.

Still not sure? Remember, if your child comes to school and their condition worsens, they can seek the help of first aid at reception and if needed we will contact you so you can come and collect

ANTI-BULLYING

We have a **zero-tolerance approach** to any form of bullying, race, gender or hate crime, social media, sexual violence or sexual harassment.

We use restorative approaches to support students to understand how actions and words can make others feel, and when things go wrong, how changing behaviours will help with understanding relationships and how to make them better.

Bullying at St Joseph's is defined as **Several Times On Purpose (STOP)** and where there is a clear imbalance of power.

Friends falling out, one-off incidents or disagreements are not bullying. The malicious, repeated targeting of a pupil is bullying.

All bullying allegations are investigated and classed as bullying or not. If they are recorded as bullying, they will be monitored in line with school policy, and will not be tolerated.
