Timetable

Selecting this tab will present you with your child's timetable for the current day. This includes the time of each lesson, the lesson name, the teacher's name and the room where the lesson will take place.

Your child's current lesson will be highlighted in blue, as shown on the right.

To view timetable data for another day of the week, click on one of the other displayed dates along the top of the timetable.

To change the displayed week, click on the Date button and select a date from the week of your choice.

Classes

Selecting this tab will present you with a list of your pupil's classes. Each class tile will display the class name, the class teacher, the subject and the room the class takes place in (if applicable).

To view the full list of teachers for a specific class, click on the Show all teachers button for the class of your choice.
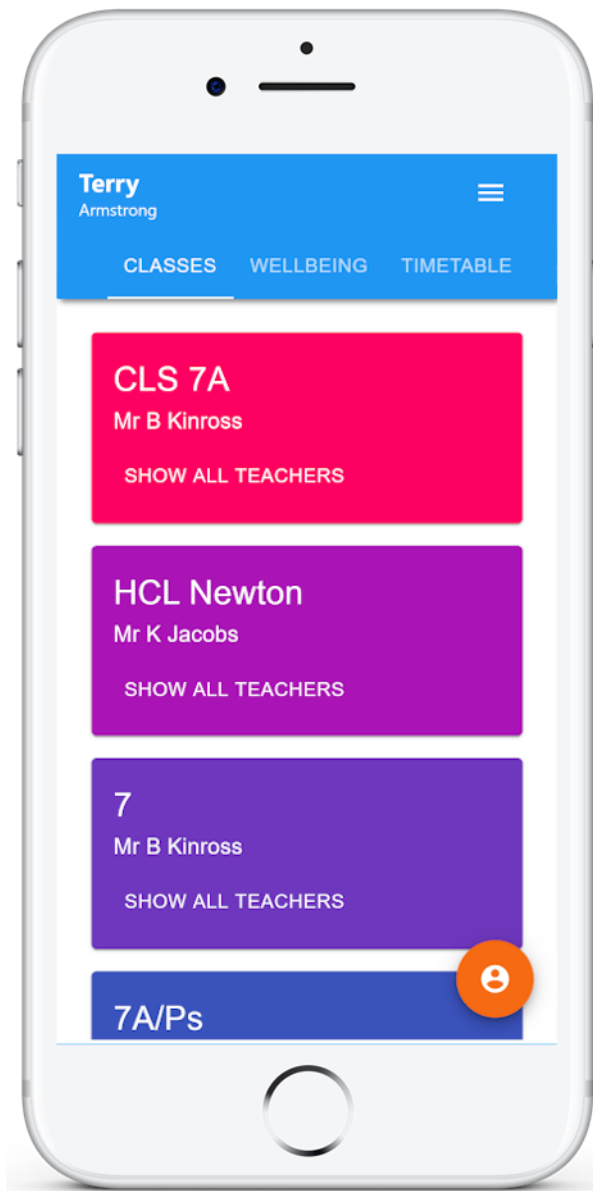

Attendance

Selecting this tab will present you with a table of your child's attendance data for the past 31 days.

To change the displayed timeframe of attendance records, click on the Date button and select the date range of your choice.

Attendance records fall under four categories: Present, Late, Authorised absence and Unauthorised absence.

Present: Your child attended the lesson.

Late: Your child was late to the lesson.

**Authorised absence**: Your child did not attend the lesson, but had a valid reason for doing so.

Unauthorised absence: Your child did not attend the lesson and did not have a valid reason to do so.
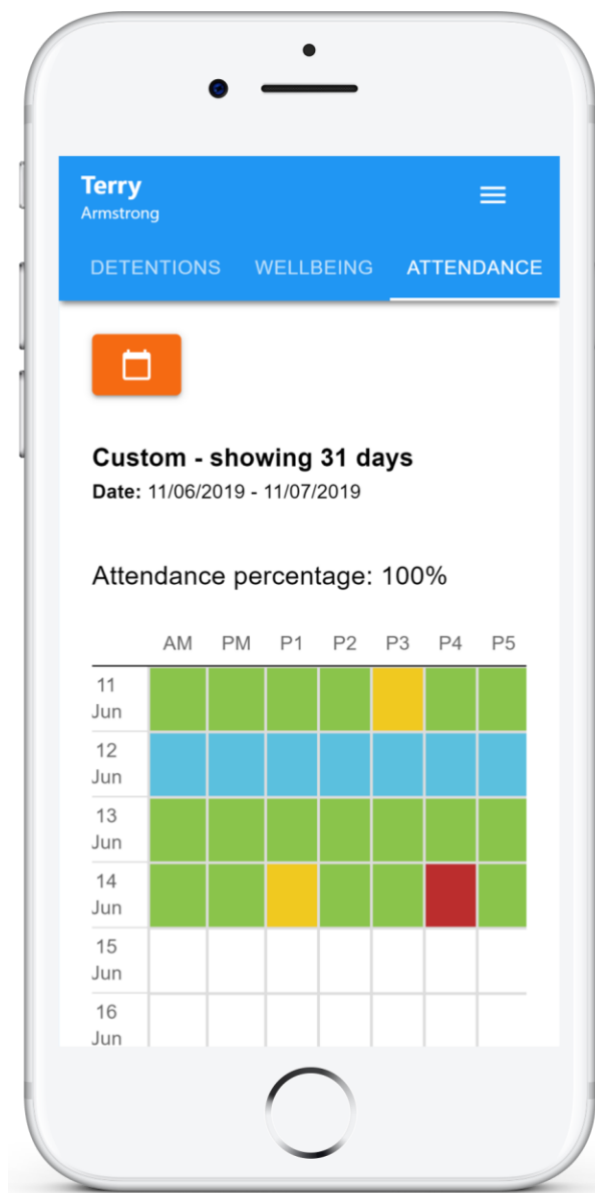

Absences

Selecting this tab will display a list of absences that you have reported, once you have reported them. This includes when the absence took place, the reason for the absence and who acknowledged your absence report.

To report an absence, click on the Report new absence button.
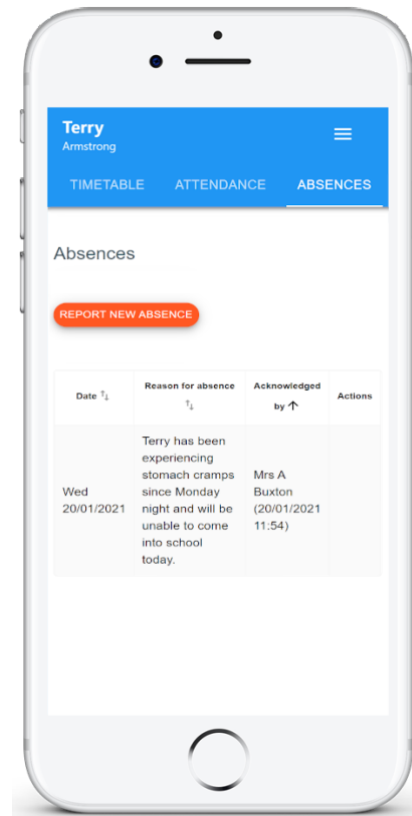

Next, enter the details of the reported absence into the form provided.

You can also include up to 5 files in your absence report as supporting evidence. To do this, click on the Attach supporting evidence button and select the files of your choice.

Click on the Submit button to send your pupil's absence report to their school. The absence can be edited and deleted until it has been acknowledged by a teacher.
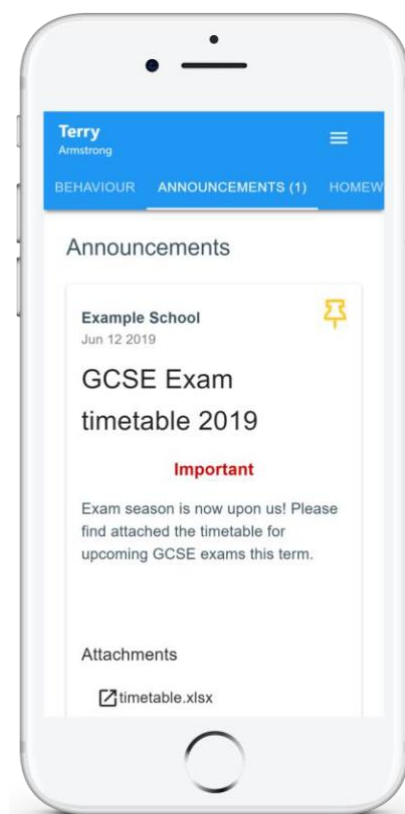

Announcements

Selecting this tab will display a list of announcements that have been shared with you regarding the selected pupil.

Announcements with a pin icon will always stay at the top of the announcements list.

If you are viewing announcements from the main parent dashboard, click on the X icon in the top right hand corner of an announcement to dismiss it.

Dismissed announcements can be viewed again in the pupil's individual Announcements tab.

Depending on your school's setup, you may receive announcements that require your consent.

To confirm or deny your consent for an announcement, click on the Give consent and Do not consent buttons respectively.

You can also leave a comment regarding your consent. Enter the comment of your choice and click on the Save comment button.

Announcement Comments and Reactions

Depending on how we have set up certain announcements, you may also have the option to leave a comment or a positive reaction.

To leave a comment on an announcement that supports it, enter a comment of your choice into the text box provided and click on the Add comment button.

To leave a positive reaction on an announcement that supports it, click on the emoji of your choice. Your selection will be highlighted in blue.
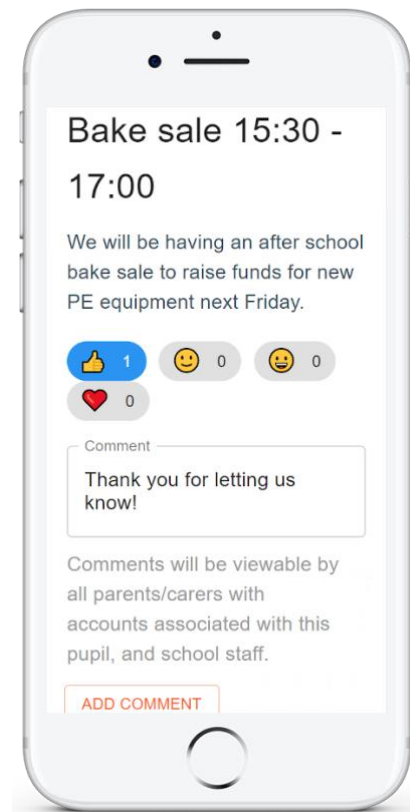

Please Note: Depending on how we have set up the announcement, your responses will either be public or private.

Public comments will be seen by all associated parents and staff members.

Private comments will only be seen by yourself and any associated staff members.

Comments will be viewable by all parents/carers with accounts associated with this pupil, and school staff.

Comments will be private and only viewable by school staff.

Behaviour

Selecting this tab will display multiple graphs which represent an overview of your child's achievement and behaviour data within a customisable timeframe.

By default, the displayed date range is 31 days To view a different range of behaviour data, click on the Date button to select from the available presets or create your own custom date range.
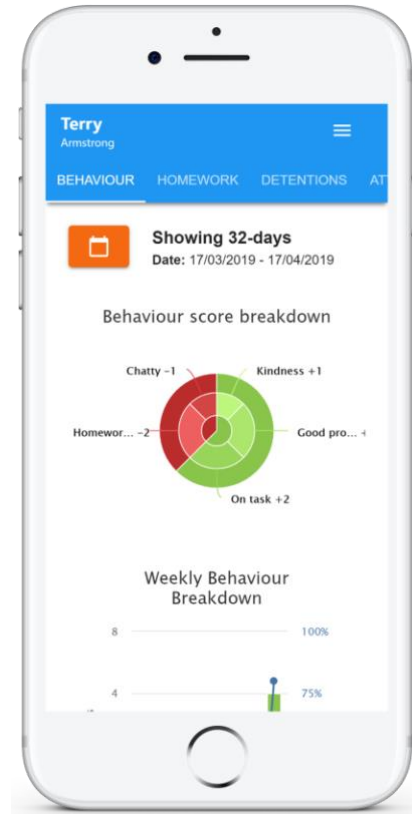

Below these graphs you can find a list of behaviour activity relating to your child. These display the behaviour that was awarded, when it was awarded, who awarded the behaviour, the lesson the behaviour was awarded in, and how many points the award is worth.

The level of detail within each behaviour award depends on the settings that your school has enabled.

Badges

Badges are a way for your school to inform you when significant behaviour goals have been achieved.

Your child will be issued with a badge when they meet the badge's criteria. The criteria for each badge will be set up by the school.

Any badges that your child has earned will be displayed here, listing each type of badge and how many times they have been awarded.
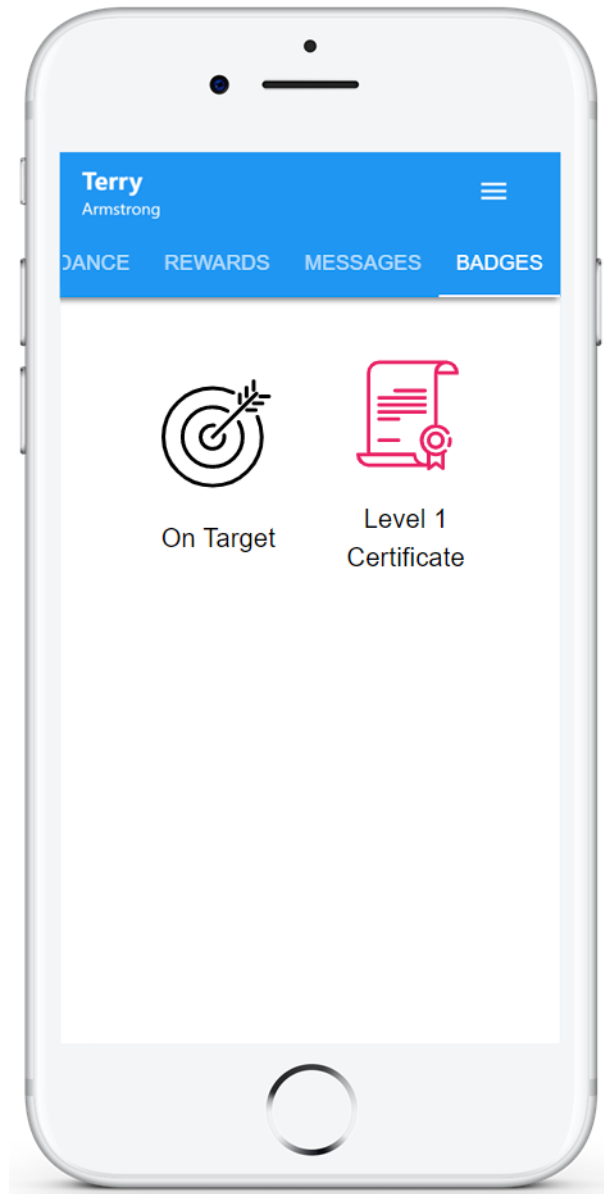

Detentions

Selecting this tab will display a list of detentions which have been set for your child

Detentions fall under 4 categories: Attended, Not attended, Pending and Upscaled.

Attended: Your child has sat this detention.

**Not attended**: Your child did not sit this detention.

Pending: This detention has not been sat yet.

Upscaled: Your child's detention has been escalated into another type of detention.

To view more information about a specific detention, click on the arrow icon.

This will bring up a popup that describes the detention, including the location for the detention, the awarding teacher and scheduling information.
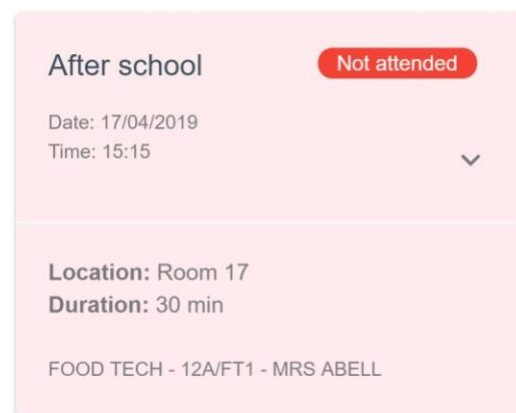

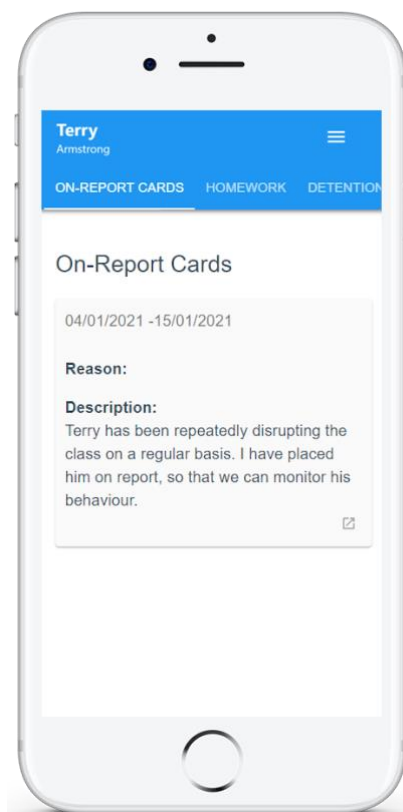

On-Report Cards

Selecting this tab will display a list of On- Report cards that have been shared with you regarding the selected pupil.

Each card displays the timeframe that the On-Report card is active for, the reason why the pupil has been placed on report and a description.

To find out more about an On-Report card, click on the expand icon.

To leave a comment on an expanded On- Report card, click on the Add new comment button and enter the message of your choice.

This message will be seen by the teachers that are involved with your child's On- Report card.

Homework

Selecting this tab will display a list of homework tasks which your child has been assigned to.
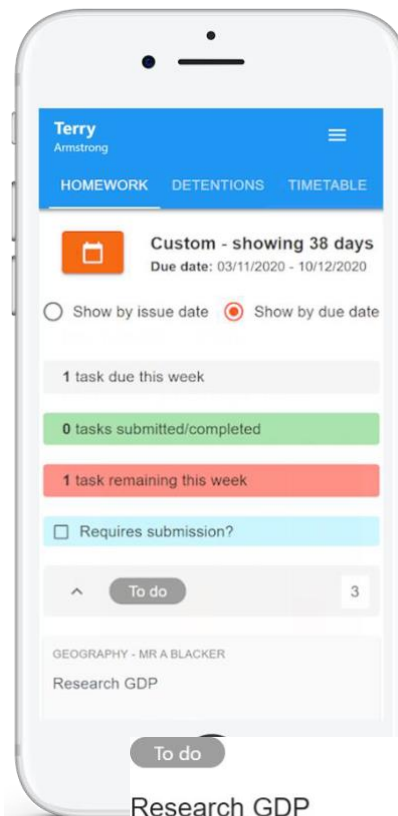

To change the date range for displayed homework tasks, click on the Date button to select from the available presets or create your own custom date range.

To display tasks in the order they were set, click on the Issue Date button

To display tasks in the order they are expected to be handed in, click on the Due date button.

To view a homework task in more detail, click on the expand icon in the bottom right hand corner of the homework tile.

A popup will appear that contains a description of the homework task, the estimated completion time and any links or attachments that may have been included.

Homework Status Categories

To-Do: These are homework tasks that you need to complete. Once you have completed them, tick the checkbox.

Completed: These are homework tasks that you have ticked as completed but have not been marked by your teacher.

Late: These are homework tasks that have been handed in past the deadline.

Not submitted: These are homework tasks that were not handed in on time.

Submitted: These are homework tasks that have been handed in on time.

Keeping Track of Homework

As your child is assigned homework tasks, you may want track of how they are progressing for the current week.

The three banners above the homework status categories count the number of homework tasks that are due this week, how many of those tasks your child has completed and how many tasks they still need to complete.

To only see homework tasks that require an attachment submission, tick the checkbox labelled Requires submission.

1 task due this week

0 tasks submitted/completed

1 task remaining this week

☐ Requires submission?

If you are viewing the Homework tab via a desktop or laptop, expanding a homework status category will display a table overview of each homework task for the selected date range.

Homework Attachment Submissions

For certain homework tasks, your child may be asked to upload their work as an attachment. If your school has allowed it, you will be able to upload homework attachments on your child's behalf.

When viewing a homework task in more detail, you will see the Upload attachment button if your child's teacher is expecting their work to be uploaded.

To submit a homework attachment, click on the Upload attachment button and select the files of your choice. Successfully uploaded files will then appear above the button.

If your child's teacher leaves feedback on one of their homework attachments, you will see a Feedback icon appear on the associated homework task.
